1 The Court ordered in the pre trial order for this case that a settlement conference with
2 Judge Chen should take place for the above-captioned case in January 2007. Parties were
3 assigned a December 7, 2006 date for the settlement conference based upon this Court's
4 availability and lack of available dates at the time in January. This Court now has available
5 dates in January. The summary judgment hearing in this matter will be on December 12, 2006.
6 Based on the date of this hearing and to allow time for the Court to rule on the motion after the
7 hearing, an enlargement of the date currently set for the settlement conference from December
8 7th to January 11th would be more efficient and most likely more productive. Furthermore, the
9 trial is set for February 12, 2007 so this enlargement of time will not cause any undue delay in
10 the trial timing.
